Office Memorandum • UNITED STATES GOVERNMENT

TO : Mr. Lawrence R. Houston

DATE: 27 May 1952

FROM : STAT

SUBJECT: Overseas Duty

1. This is in answer to your memorandum of 26 May 1952 on the above subject.
2. My preference is for alternate tours of overseas and Washington duty, as the record will show.
3. Having just returned from a tour of overseas duty, there are a number of personal and family matters which I must attend to. Consequently, I could not accept a permanent overseas assignment at the present time. However, I expect that in about six months I will be in a position to volunteer for such duty.
4. My choice of areas is Europe with a distinct preference for a French-speaking country. Second preference would be the Western Hemisphere.
5. I will be glad to amplify these remarks as needed.
